9.1 Members agreed to consider a noticeboard at Cricket Club. **Clerk to get quotes for June Meeting.**

9.2 Members considered drawing up a schedule of maintenance for the Cricket Pavilion to ensure the parish asset is well maintained by the leaseholders. It was noted the cricket club are undertaking maintenance tasks and members decided to review a maintenance schedule when all refurbishments of the cricket pavilion are completed.

9.3 An update on correspondence with Church was given regarding provision for a replacement public meeting space for the Parish, needed after sale of hall. Sadly still no response had been received by church.

It has been brought to the parish council attention that the church are considering using funds from the sale of the hall to make improvements to the nursey. The Clerk is to write to the church for a further time asking for a meeting to discuss these proposals. The PC firmly believe this is not correct use of the funds . It was suggested that the concerns could be reported to the charities commission
